DATE: December 3, 2004

RE: Administrative Costs for Calumet PAC

This memo is to serve as a follow up to the letter submitted to the Federal Election Commission (FEC) dated November 20, 2004.

Per discussions with a representative from the FEC, the Calumet Political Action Committee (Calumet PAC) has been asked to outline administrative costs. As reported in quarterly reports, \$200.00 has been disbursed monthly to Terrence Bronowski since July 1, 2003. This fee, disbursed on the first day of each month, covers partial utility fees, telephone services, and rental fees incurred to his C.P.A. practice that operates outside of the scope of Calumet PAC activities.

A separate disbursement of \$2,600.00 was paid on March 1, 2004, to offset any additional money owed in cases where the traditional \$200.00 monthly payment did not cover all expenses.

If the FEC is in need of additional information pertaining to this matter, or if this response is not adequate, please do not hesitate to contact Terrence Bronowski at 219-942-4895. It is the hope of the Calumet PAC that this memo, and the information contained within, will be found in compliance with FEC regulations.
